

SAFE & CLEAN

We care about your and our safety!

Below are the measures that we have been taking to ensure our clients a safe stay

In the **common areas**:

- Plexiglass at the reception desk
- Installation of sanitizing gel dispensers in the hall, restaurant and breakfast room
- Daily sanitization with surgical medical devices
- Daily temperature check of customers and employees
- The use of the lifts is only allowed one person at a time (unless the clients belong to the same family)
- Social distancing measures in the breakfast and restaurant hall
- Rich breakfast buffet served by our staff

In the **rooms**:

- sanitization with surgical medical devices
- room keys and television remote control are sanitized at each departure and kept in a specific plastic envelope

In the hotel premises

All staff is trained for Covid emergencies, obliged to wear a mask, and is subject to daily temperature check

Your safety is our priority!!!
